

Journals

[Web of Science Master Journal List](#)

Do not publish your work in any journals not indexed in this list. Also, try to avoid open-access-only journals even if they are indexed with a high impact factor because it is usually expensive to publish there and some academics do not take them seriously. In many cases, their impact factors are high just because they are open access and free to read.

GIS journals

- [GIScience & Remote Sensing](#). SCIE, 2018 Impact Factor 3.588.

Hydrology journals

- [Journal of Hydrology](#). SCIE, 2018 Impact Factor 4.405.

Water resources journals

- [Water Resources Research](#). SCIE, 2018 Impact Factor 4.142.

Software journals

- [Environmental Modelling & Software](#). SCIE, 2018 Impact Factor 4.552.
